

CERTIFICATION

In view of Proclamation No. 922 dated 9 March 2020 declaring a State of Public Health Emergency throughout the Philippines and following the recent developments of COVID-19 in our country, this is to certify that the Knowledge Enhancement and Consultation Forum for GPPB Recognized Trainers to be held on 16-20 March 2020 has been postponed indefinitely. The GPPB-TSO will finalize the schedule of the activity as soon as we determine the safety of conducting the training.

This Certification is issued to serve as justification for the GPPB Recognized Trainers who already purchased their Airfare Tickets for attendance in the Knowledge and Skills Enhancement Training-Workshop. Furthermore, this may also be used for purposes of liquidation or reimbursement of the trainers' travel expenses, subject to existing budgeting, accounting, and auditing rules and regulations.
